The School District reserves the right to evaluate the evidence presented, and merely presenting the items listed above does not guarantee admission.

I cannot provide the required evidence for the following reason(s):

I will provide evidence by the following date: _____.

“A person who knowingly or willfully presents to any School District any false information regarding the residency of a pupil for the purpose of enabling that pupil to attend any school in that District without the payment of a non-resident tuition charge shall be guilty of a Class C Misdemeanor.” (105 ILCS 5/10-20.12b)

This proof of residency form attests that the above child is not enrolling in the District solely for school purposes and is living on a permanent basis with the person having complete custody and control. Registration of a student who is not a resident is a fraudulent act. Any student found to have fraudulent registration will be subject to the payment of retroactive tuition charges for non-resident students, not to exceed 110% of the per capita cost.

I certify that I understand the residency requirements and that I know the penalty for fraudulent registration.
